

Informed consent for processing and accessing personal and sensitive data

I, the undersigned (hereafter “the narrator”):

.....

in accordance with Act no. 101/2000 Coll. on the protection of personal data, and the Civil Code (Act no. 89/2012 Coll.), as per further regulations, and in accordance with the regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (GDPR), hereby give my explicit and free consent to the processing of all my personal and sensitive data, which I provided during interviews recorded in audio or audio-visual form as part of the research for the Bachelor’s/Master’s/doctoral thesis of the student:

.....

with the working title:

.....

I understand that I am providing my personal and sensitive data for the following purposes:

- scientific and historical research in the area of the humanities
- publishing activities (end-of-year qualifying papers, scientific articles, studies, anthologies, monographs, etc.).

I am aware that by signing this form, the above-mentioned student becomes the controller of this data, for a period of unlimited duration.

I agree that the interviews and information contained therein may, if required, be provided in written or electronic form to a further entity, specifically the Institute for Contemporary History of the Czech Academy of Sciences, for the purposes of scientific or historical research in the field of the humanities only – please tick the relevant box:

- I agree
- I disagree

I declare that I have been informed that according to the above legal regulations on the protection of personal data, I have the right to:

- revoke the consent given at any time and for each of the above-detailed purposes separately;
- request information as to which personal and sensitive data about my person is being processed;
- request an amendment or addition to my personal and sensitive data;
- request the erasure of personal data no longer necessary for the purpose it was originally collected or processed for;
- request a restriction to the processing of data that is inaccurate, incomplete, or which is no longer necessary for the purpose it was originally collected or processed for, but I do not agree with its erasure;
- request the transfer of processed data;
- object to the processing of my personal data for direct marketing, including related profiling;
- not be subject to a decision based solely on automated processing, including profiling;
- I have the right to receive a reply to my request without needless delay, in all cases within one month of the controller receiving my request.

In order to contact the controller regarding the protection of personal and sensitive data, the following contacts (telephone number, email address) for the student may be used:

.....

Individual requirements of the narrator, which the data controller (and if relevant, further entities) must follow (e.g. anonymization of data, request for authorization of the transcript before publication, prohibition of the use of the interviews by other entities/third parties or as part of other research, etc.) – please tick the relevant box:

- not required
- required, please detail your specific requirements:
